SUBMITTED VIA PLANNING PORTAL

Dear Sir or Madam,

Proposed Installation of a telecommunications Base Station at 172 to 202 Maiden Lane, Camden, London, NW1 9UQ.

This is a full planning application, and notice in accordance with the electronic communications code under the Telecommunications Act 1984 Schedule 2 as amended by the Communications Act 2003, for permission for the development of:

“The installation of 3no. rooftop tripods accommodating a total of 6no. antenna apertures; 3no support poles accommodating 4no. transmission dishes; 8no. equipment cabinets on the roof at 172 – 202 Maiden Lane, plus 1no. electrical meter cabinet installed at ground level and development ancillary thereto” (NGR: E529909, N184164).

This proposed telecommunications site will replace an existing installation at 1 Brandon Road, Islington, London, N7 9AA, which is being lost from the network.

The application comprises:

- Planning application form and certificates;
- Location plan drawn to a scale of 1:1250, with the site outlined in red, drawing referenced '002 Site Location Plan, Rev F';
- Other plans, drawing referenced: 100 'Existing Site Plan', 150 A/B/C/D 'Existing Elevation Plan', 215 'Maximum Configuration Site Plan', 265 A/B/C/D 'Maximum Configuration Elevation Plan';
- Supplementary Information template;
- ICNIRP compliance document;
- 5G and Future Technology; &
- Requisite fee – payment of £462 has been made to the local authority.

We look forward to receiving your acknowledgement and decision in due course.

Yours sincerely,

A small, light-colored rectangular box containing the name "Nick Allan" in a handwritten-style font.
