2020/2852/P	Victoria Silver	30/08/2020 20:47:05	INT	We live next door and don't have any objection to this scheme in general, but are mindful that the applicants terrace is over a metre higher than ours and we may get a sense of being overlooked on our terrace and in our garden. Could some screening be included as part of the design, and conditioned as part of planning approval? Look forward to hearing from you.
