2020/3132/P	David	28/08/2020 11:10:59	OBJ	I am a longstanding resident Of Dennington Pk Rd and am concerned that the building of a loggia to the rear of 38 Dennington Pk Rd will affect mine and my neighbours privacy as this will allow people to stare directly into our bedrooms and at the same time encourage people especially during the summer months to stand out on this balcony and look directly down into mine and others homes.We are already experiencing a degree of loss of privacy from this developement due to the felling of many mature trees thus allowing opposing neighbours to now stare directly into our homes.
