2020/3157/P	Gary Cox	08/09/2020 15:56:11	COMMNT	As the owner of a flat within 33 Betterton Street I am resolutely against this planning permission application 2020/3157/P. Further to the listed status of the 33 Betterton street, the proposed building works would incur a massive reduction of character due to the roof shape change. The loss of the rear fire escape is of major concern to me. Having already endured years of disruption during the redevelopment of the basement apartment (noise, services affected, huge over-run in duration), our right to 'quiet' is a more than a legitimate claim.
