2020/3249/P	Susan Hadida	31/08/2020 14:54:34	COMMNT	<p>I should like to object to this proposal on the grounds that it is destroying the original delightful concept of a communal garden surrounded by the rear gardens backing onto it, and by building out extensions into these gardens certainly spoils the view and the pleasant environment for all who live nearby.</p> <p>We should definitely endeavour to keep the high standard envisaged and the present extension, to be demolished, should never have been built in the first place.</p>
