2020/3553/P	Alexia Shaw	08/09/2020 12:27:13	OBJ	<p>Hello, as a resident of the house diametrically opposite to the proposed site, I am not in favour of this construction. There has been building work going on in 3 Hillfield Road ever since I moved in five years ago, and the basement excavation has had repercussions on the surrounding houses I'm told. Basement work is also planned for 1 Hillfield Road, and to carry out works on the specified site seems unwise given the amount of digging in the area. The residents of South Mansions are already suffering from subsidence and severe cracking and this will only exacerbate matters.</p> <p>Thank you for your time, Alexia Shaw</p>

The application looks sensible, considerate and I think will improve the local area. Where there is currently an under utilised space, which looks very scruffy, this development has a nice feel to it.</p>
