2020/3602/T	Jane Rawley	03/09/2020 10:54:41	OBJ	<p>Dear Camden Council,</p> <p>I am the owner of flats A and B of 79 Belsize Lane. The tree in question stands on my property.</p> <p>In October 2016 this tree was illegally pruned back not just to the property border but on the main body of the tree itself on my land by the applicants. It has taken 4 years to recover.</p> <p>On this occasion I have no objection to the trimming of the smaller lower branches overhanging the 45 Belsize Park side only.</p> <p>The 2016 damage significantly reduced the health of the tree as well as a huge amount of the middle branches which were cut away inside my property without permission.</p> <p>I kindly request that the trimming on the lower section is done carefully and sympathetically without damaging the ivy or main branches.</p> <p>I ask that my property not be entered at all and the tree not be climbed by anyone in this trimming process. The crown must not be touched.</p> <p>Also, all branches and waste must not be left on my property as they were in 2016.</p> <p>If a Camden Council supervisor could be spared on the day, it would be appreciated as to mitigate any disputes.</p> <p>Yours sincerely,</p> <p>Mrs Jane Rawley</p>
