CHILLER BOX LTD

GENERAL NOTES

- DO NOT SCALE OFF THIS DRAWING. ALL DIMENSIONS ARE TO BE CHECKED ON SITE. ANY ANOMALIES ARE TO BE ADVISED TO CHILLER BOX LTD.
- This drawing should be read in conjunction with any relevant quotation and/or order confirmation issued by Chiller Box Ltd.
- All drawings and specifications including dimensions and other particulars and descriptive information issued by Chiller Box Ltd are provided for guidance only and are not binding in any way.
- No drawing or specification shall be deemed to be incorporated into the contract unless details of same are expressly stated in and/or annexed to the Chiller Box Ltd's order confirmation.
- This drawing and the goods shown are intended as recommendations only. Chiller Box Ltd shall have no liability under any circumstances for the design of the goods supplied or for the planning of the general arrangement of the final location of the goods.
- The goods shown are for illustration purposes only. Exact detail may differ. Chiller Box Ltd reserves the right to substitute goods for alternative goods which are of equal or better specifications.
- Chiller Box Ltd does not warrant the goods to be suitable for the buyer's specific application. The buyer should check specifications and satisfy themselves as to the suitability of the goods for their needs prior to placing an order.
- Chiller Box Ltd reserves the right to alter any fabricated items.
- This drawing is provided as a guide only when issued for production and/or fabrication purposes. Any manufacturer/fabricator is to satisfy themselves of site conditions etc, and is to produce their own fabrication drawings for checking and/or approval prior to production and/or fabrication commencing. No responsibility will be accepted by Chiller Box Ltd for any errors or omissions resulting from this.
- Chiller Box Ltd shall not be responsible for the submission of the drawing to obtain any statutory or other approvals in connection with the goods, including but not limited to, environmental health officer, fire officer, planning, building regulations, licensing or landlords or similar approvals.
- Services supplies required for the goods including electrical, gas, water and drainage to within 1m of final location of appliances are to be installed by others. Unless stated, gas interlock, solenoid valves etc required for installations to comply with gas regulations or any electrical works in connection with same are to be undertaken by others. All such services should conform to the latest relevant regulations.
- All other builders' works or services supplies in connection with the goods including removal and reinstatement of doors, shopfronts and/or fixtures and fittings to facilitate access to premises or installation, if applicable, are to be undertaken by others.
- Chiller Box Ltd retains the copyright in this drawing. The contents may not be reproduced, modified, copied or distributed or used in part or in whole without written permission from Chiller Box Ltd.
- Chiller Box Ltd does not accept any liability for any errors or omissions in the drawing, whether relating to specifications, dimensions, scales or otherwise.
- Chiller Box Ltd's Standard Terms and Conditions apply. Copy available on request or downloadable from <http://www.chillerbox.com/downloads/TandCs.pdf>
