Council's Own Development
Town and Country Planning General Regulations 1969
1-12 Lambie Street, NWS

I refer to your memorandum dated 4th July, 1973 submitting details of elevations, facing materials, roof terraces, garage accommodation and vehicular access, and landscaping for nine houses on the above site as indicated on your Drawing Nos. 20, 007, 36, 202, 1001, 1030 and 1030, our Registered No. 16830.

I would inform you that the details are approved although-

- (1) It is considered that the planting boxes next to the heads of vehicular access should be omitted as they might obstruct the view of drivers of cars leaving the garages.
- (2) It is felt that the design of the roof terraces is still likely to allow overlooking of adjoining premises.
