2020/2658/P	Chris Gardiner	09/09/2020 14:22:18	OBJ	<p>I note in the details that it is proposed to replace the original steel Crittal windows with modern windows. I OBJECT to this. The bay windows on the corner of Bedford Avenue are uniform from ground up to my own flat on the 3rd floor. Surely a more sympathetic refit can include these irreplaceable Crittal windows being kept in situ.</p> <p>When viewed from the street this corner, complete with original Crittal windows on every floor is rather appealing to the eye. It would be a shame to loose this architectural feature.</p>
