Dear Mr McClue,

I'm a resident of Gondar Gardens. Please take this email as a formal OBJECTION to the planning permissions asked by a developer to build a 5 storey block in the area.

This project will endanger the natural beauty of the reservoir (home of dozens of birds species and other animals) and will disrupt the tranquility of the area enormously.
Not to mention the acoustic pollution and The havoc caused by such a massive building site in a very quite and beautiful area of West Hampstead.

Kind regards,
Manuela Festa
