Please provide details of any transport and highways impacts and how these will be mitigated:

Existing forecourt parking for 4 cars will be retained. Stops fo 88, 214 and C11 are situated close to the site.

Please provide details of any contamination risks and how these will be mitigated:

There are no known contamination risks

Please provide details of any flooding risks and how these will be mitigated.

A flood risk assessment should accompany the application where the site:

- is in Flood Zones 2 or 3; or
- is in an area with critical drainage problems (such areas will have been notified to the Local Planning Authority by the Environment Agency).

Check if your site location is in Flood Zone 2 or 3 online.

Check with your Local Planning Authority to see if your site is in an area with critical drainage problems.

The property is not within Flood Zone 2 or 3

Please provide details of the impacts of noise from commercial premises on the intended occupiers of the development and how this will be mitigated. Note that 'commercial premises' means any premises normally used for the purpose of any commercial or industrial undertaking which existed on the date of this application including any licensed premises or any other place of public entertainment.

Noise from shops and cafes opposite will be mitigated by the fact that windows to the habitable rooms would be to the rear of the property, not overlooking the road.
