2020/3131/L	Manohar Singh	13/09/2020 16:19:03	SUPPRT	<p>I fully support the listed building application for 80 Neal Street</p> <p>I live next door and can confirm that it greatly enhances the area</p> <p>There is a lot of pollution in Seven Dials and the previous colour on 80 Neal Street was just too plain and very quick to get dirty. the new colour uplifts the building and a major improvement to the corner of Shaftesbury Avenue & Neal Street, it very much brings vibrancy to a very depressed street and seven dials and very much mirrors Neals yard. There are several closed shops on Neal Street of which many are boarded up. The new colour provides a lovely positive and inspiring feel to this very depressed area.</p>
2020/3131/L	Martina healey	13/09/2020 20:46:17	NOBJ	<p>As a resident of Neal street think they have done a fantastic job and definitely in keeping with the street I fully support this application the colour is massive improvement on the previous colour And would be very disappointed if it had to be tuned while again</p>
2020/3131/L	Christine whitehorn	13/09/2020 21:09:39	SUPPRT	<p>I would like to add my ardent support to this application of 80 Neal Street.</p> <p>This property is situated at the beginning of Neal Street, almost the "entrance" to what is the renowned Covent Garden.</p> <p>Previously the wall colour was drab and non descript. This new vibrant colour has enhanced the entire street and in these uncertain days has raised the spirits of the neighbourhood.</p> <p>The colour is entirely in keeping with the adjacent premises.</p> <p>I sincerely hope that this application is successful.</p> <p>Thanking you.</p>
