2020/3939/T	Chris Peacock	11/09/2020 14:00:07	OBJNOT	Please put a stop to the wanton destruction of trees in this conservation area. Camden Council has repeatedly granted permission to remove trees for trivial reasons. This is a classic example. The tree is an essential part of the character of Goldhurst Terrace. The problem appears to be with the inadequate foundations for the front wall and the steps, not with the tree. Please reject this application.
