2020/3973/T	Chris Peacock	11/09/2020 13:36:30	OBJNOT	In creating the South Hampstead Conservation Area, Camden listed the "green and leafy" nature of this neighbourhood as one of the main reasons it needed to be protected. Yet you are doing nothing to prevent the wholesale removal of dozens of healthy trees from this area. Why is this tree being felled? No reasons are given. Please reject this application.
