Dear Mr Wilson

PLANNING APPLICATIONS 2005/4262/P (21 Barter Street), 2005/4263/P (20-21 Southampton Place) and 2005/4264/P (2-3 Bloomsbury Square)

Further to your telephone call this morning, please find enclosed full metric floor plans, at a scale of 1:100, for 20-21 Southampton Place. These relate to the change of use application that we are applying for on the property from B1 (offices) to D1 (non-residential institution), planning application reference number 2005/4263/P. We enclose five copies. We have continued to blank out the floor plan for the fourth floor because the residential use will continue unchanged and the current application does not apply for the change of use of this floor.

Furthermore, we hereby confirm that for application ref. no. 2005/4262/P relating to 21 Barter Street, the change of use from offices (B1) to non-residential institution (D1) will be temporary, until no later than 29 September 2008.

5 years.

We state once more that this amendment from a permanent change of use to a temporary change of use on 21 Barter Street does not affect our separate applications 2005/2463/P and 2005/2464/P submitted at the same time for 20-21 Southampton Place and 2-3 Bloomsbury Square respectively, which remain as applications for permanent change of use.

If you have any further queries, please do not hesitate to call me on 020 7152 5160 or my colleague Jesse Honey on 020 7152 5261.

Yours sincerely,

**Gemma David BSc MSc MRTPI
