5. Description of Proposed Works, Impacts and Risks
Please describe the proposed development, including: - details of any works proposed;
- the external appearance of the dwellinghouse, including the design and architectural features of the principal elevation (and any side elevation that fronts a highway)
Proposed works: Single storey roof extension to the rear portion of the roof of a detached house.
External appearance of the dwellinghouse: White painted brickwork with white painted rendered bands and white painted horizontal timber cladding

5. Description of Proposed Works, Impacts and Risks (continued)
Please provide details of the impacts of on the amenity of the existing building and neighbouring premises including overlooking,
privacy and the loss of light and how these will be mitigated:
Overlooking impact have been considered and minimised through placement of the proposal at the rear portion of the roof and placement of windows on elevations which do not directly overlook neighbouring buildings. Loss of light impact has been considered and mitigated by reducing the height of the extension to a reasonable minimum and placing it at the rear of the roof, in addition a daylight assessment has been carried out to demonstrate there would not be a significant effect on the neighbour's enjoyment of daylight and sunlight
Please provide details of any air traffic and defence asset impacts and how these will be mitigated:
N/A
Where relevant (due to the siting of the building), please provide details of the impact on any protected view.
Note that these are identified in the Directions Relating to Protected Vistas dated 15 March 2012 issued by the Secretary of State.
N/A
