Dear Ms Todd

As the owner of  I am very worried about the application to use 1 and 2 Chester Gate for offices.

This is supposed to be a Conservation Area, and the Crown has strict rules about where and how we can park etc. and what we can and cant do. As residents we respect this.

Offices would inevitably incur more traffic, and there are just no spaces left for parking. Delivery vans would probably wish to come down into the Mews – where we are already quite congested in getting in and out, (and the noise on the cobbles is loud!) The main road through Chester Gate, which is now down to one lane, after permission was granted for the garden extension, leaves no room for cars ‘dropping off’, and traffic will build up behind and into Albany Street. It is a very busy through way.

I would beg you to take all these considerations in, before granting permission for Offices.

Yours sincerely,
