Dear Ms. Todd,

I have noticed the planning application in respect of 1-2 Chester Gate and wish to object to same for the following reasons.

1. There is a substantial need for residential property in the area and if granted this application will further deplete residential availability.
2. If converted to business use it is likely that additional vehicular will be drawn to the premises, which would be undesirable.

If only for the above I would urge you to turn down the application.

Kind regards,
