Dear Sir/Madam

DECISION

Town and Country Planning Act 1990

Advertisement Consent Granted

Address:

Arthur Stanley House
40 - 50 Tottenham Street
London
W1T 4RN

Proposal:

Display of hoarding advertisement for temporary period (14 months) while construction works are carried out.

Drawing Nos: Site Location Plan (SK)_375, 15068_SK_468, 15068_SK_469, Arthur Stanley House Hoarding Proposals, Cover Letter 28/05/2020.

The Council has considered your application and decided to grant consent subject to the following condition(s):

Conditions and Reasons:

- 1 No advertisement is to be displayed without the permission of the owner of the site or any other person with an interest in the site entitled to grant permission.

Reason: - As required by regulation 2(1) and Schedule 2 of the Town & Country Planning (Control of Advertisements) (England) Regulations 2007.

- 2 No advertisement shall be sited or displayed so as to
 - (a) endanger persons using any highway, railway, waterway, dock, harbour or aerodrome (civil or military);

- (b) obscure, or hinder the ready interpretation of any traffic sign, railway signal or aid to navigation by water or air; or
- (c) hinder the operation of any device used for the purpose of security or surveillance or for measuring the speed of any vehicle

Reason: - As required by regulation 2(1) and Schedule 2 of the Town & Country Planning (Control of Advertisements) (England) Regulations 2007.

- 3 Any advertisement displayed and any site used for the display of advertisements, shall be maintained in a condition that does not impair the visual amenity of the site.

Reason: - As required by regulation 2(1) and Schedule 2 of the Town & Country Planning (Control of Advertisements) (England) Regulations 2007.

- 4 Any structure or hoarding erected or used principally for the purpose of displaying advertisements shall be maintained in a safe condition.

Reason: - As required by regulation 2(1) and Schedule 2 of the Town & Country Planning (Control of Advertisements) (England) Regulations 2007.

- 5 Where an advertisement is required under these Regulations to be removed, the site shall be left in a condition that does not endanger the public or impair visual amenity.

Reason: - As required by regulation 2(1) and Schedule 2 of the Town & Country Planning (Control of Advertisements) (England) Regulations 2007.

- 6 The advertisements hereby permitted shall be displayed for a temporary period of two years from the date of this decision letter and shall be removed on or before 31/10/2021.

Reason: The type of advert is not such as the Council is prepared to approve, other than for a limited period, in view of its appearance. Its permanent display would be contrary to the requirements of policy D4 of the Camden Local Plan 2017.

Informative(s):

1

Reason for granting advertisement consent:

The proposed temporary advertisement hoarding is considered acceptable in terms of scale, design, materials and the absence of any illumination.

The Council would resist any such advert to be installed on a permanent basis, however; for a temporary period and in order to shield construction works being carried out within the hoarding the proposals are considered to be acceptable.

The sign would not result in any adverse impact on neighbouring amenity, nor would it be harmful to either pedestrian or vehicular safety. Furthermore, the sign would not obscure or damage any significant architectural features of the host site, nor detract from the character and appearance of the Charlotte Street

Conservation Area.

The site's planning and appeals history has been taken into account when coming to this decision. No objections have been received.

Special attention has been paid to the desirability of preserving or enhancing the character or appearance of the conservation area, under s.72 of the Planning (Listed Buildings and Conservation Areas Act) 1990 as amended by the Enterprise and Regulatory Reform Act (ERR) 2013.

As such, the proposal is in general accordance with policies A1, D1, D2 and D4 of the Camden Local Plan 2017, the London Plan 2016, and the National Planning Policy Framework 2019.

In dealing with the application, the Council has sought to work with the applicant in a positive and proactive way in accordance with paragraph 38 of the National Planning Policy Framework 2019.
