Dear Tree Officers and Planners,

List 598

2020/3977/T. 1c, Spencer Rise

No objection to the felling of the mixed species group at the rear of No 1b and 1c and the Ceanothus. I do not think that the privet hedge at No 1a is implicated or the small peach tree above 1c. The Cherry tree (T1) is one of Camden's street trees.

2020/3986/T. 37 Kingswear Road.

No objection to the ongoing reduction height of the Ash or Sycamore. (see also my comments on list 597: 2020/3902/T).

2020/3999/T. 3 Dartmouth Park Avenue

No objection

Thank you,  
Eileen
