2020/4246/T	S. Nix	18/09/2020 08:10:54	COMMNT	Hello, There are no real supporting documents explaining this application in more detail. All that is included is a letter from the person at the property (given twice) asking that the tree be removed and that she would like to 'have a conversation' with a tree officer. There is no follow-up information about that conversation or anything else about this to substantiate the application. Please could you provide this? Is the tree causing structural damage? Thank you.
