

All heights are in metres and relate to maximum heights of the elevation with a construction tolerance of +/- 0.75m.

Do not scale from this drawing. Use figured dimensions only. Figured dimensions are in millimetres. All levels are in metres. All dimensions and levels shall be verified on site before proceeding with works. Detailed site survey to be carried out to verify positions and level relationships with site features and ordnance survey. The Architect must be notified of any discrepancy. Boundaries are indicative only and are to be verified by others. Where building components are described in the specification or Descriptive Specification - (Contractor Design) elements shown on this drawing pertaining to those components are to be read as 'Issued for Design Intent only'.

Allies & Morrison LLP is not responsible for any errors caused by the transmission, translation, software or computer systems. Allies & Morrison LLP is not responsible for nor shall be liable for the consequences of any use made of the drawings or models other than that for which they were produced by Allies & Morrison LLP for the Client.
