Dear Nora-Andreea,

I am well thank you. Hope everything at your end is going well.

Thank you for updating me on the application. As for the dormer material, it will be zinc cladding (as the consented application)

Are you able to update me on the application for the rear extension?

Kind Regards,

Milan Limbu

Dear Milan,

Hope you are well.
Thank you for your email and revisions.

I am just preparing a positive recommendation for the dormer application. Can you please confirm the dormer materials, to avoid adding a condition for this? But, if you are unsure at this time I can condition it.
