Good Morning,

The Camden Town CAAC has been notified of the above applications which we understand are for a Minor Material Amendment to the recent planning approval, and an alteration to the previously approved LB consent.

We cannot find any drawings online and would like to view the revised proposals as we felt that the previous application pushed the external envelope to the limit and were also somewhat detrimental to the original plan-form internally.

I look forward to hearing from you on behalf of the CTCAAC - our next virtual meeting is W/C 12/10.

kind regards

Luisa Auletta
member CTCAAC
