The majority of Council staff are now working at home through remote, secure access to our systems.

Where possible please now communicate with us by telephone or email. We have limited staff in our offices to deal with post, but as most staff are homeworking due to the current situation with COVID-19, electronic communications will mean we can respond quickly.

Dear Gavin,

Following assorted e-mails over the last few months, please can I object to the above application on behalf of both the Friends of Argyle Square and Kings Cross CAAC?

We welcome the redevelopment of Belgrove House in principle, but the current proposal is entirely out of context in both size and appearance considering its highly sensitive historic setting, and that no amount of public benefit can outweigh the harm caused by this development to our heritage.

As you know we liaise with the Bloomsbury CAAC, and support their detailed comments on this application - there is no advantage in repeating them again here.

Best Wishes,

Bill.
