Hi

Just wanted to say, as a local resident I love the idea of the Bull and Gate developing the roof terrace.

I used to go to the old pub to watch gigs and it would be such a shame to see any of the local pubs fall under the pressures of covid restrictions. The outside space would offer them the space to build the business for the future and sounds like a great idea.

Thanks  
Laura

Hi.

In regards to planning reference 2020/2205/P

My name is Will Hitchins. I live on [REDACTED] walk from the Bull and Gate pub, Kentish Town Road.

I wholeheartedly support the pub's request to extend and build a roof terrace. Kentish Town is wonderful for pubs but there are very few with decent beer gardens or outdoor space of any sort. It would be ideal for the Bull and Gate to build one.

I lend my full support to this development.

Many thanks,

Will Hitchins

Hi there,

As a Camden resident [REDACTED] I would like to show my support for the Bull and Gate's proposed roof terrace. Pubs need every bit of help they can at the moment to survive COVID and I can't see how the community wouldn't benefit from this scheme which I'm convinced will make for a welcome addition to the local landscape.

Thank you for your consideration.

Sincerely

Eran Edry
