| 2020/4246/T | Chris Peacock | 18/09/2020 14:24:50 | OBJ | Where does this end? How many more trees are going to be removed from this conservation area simply because someone moves into a green and leafy neighbourhood and decides that they want a sunny front garden/back garden/front room/back room? It appears that this tree's only crime is that it is large. Large trees such as sycamores are an essential part of the character of this neighbourhood, and one of the principal reasons which Camden Council gave for creating the South Hampstead Conservation Area. Please uphold your own standards and reject this application. |
