FLOOR LEVEL RELATIVE TO DATUM

Notes:

- The Survey has been computed on an arbitrary grid.
- All levels are in metres and relate to an arbitrary site datum.
- Station XI Value 10.00m
- All direction arrows indicate DOWN unless otherwise stated.
- Drainage pipe sizes (where shown) have been gauged from the surface (for safety reasons) and should be regarded as approximate only.
- Visible features in the vicinity of any boundaries, as shown on this survey, may not represent the extent of legally conveyed ownership.
- Whilst every effort has been made to determine wall materials, no guarantees is given. Materials should be regarded as assumed unless verified by a qualified third party.
