Dear Sir/Madam

DECISION

Town and Country Planning Acts 1990 (as amended)

NO OBJECTION TO SECTION 211 NOTICE OF WORKS TO TREE/S IN A CONSERVATION AREA

Address:

21 Hollycroft Avenue
London
NW3 7QH

Proposed Work:

REAR GARDEN: 1 x Lombardy Poplar (*Populus nigra 'Italica'*) (T1) - Reduce by approx. 1/3rd (equating to approx. 6 - 8m in height), re-shaping the vertical growth to balance-in with the side laterals. Leaving a natural looking shaped crown, with reduced windthrow. We may have to prune slightly below the previous reduction points dependent on the level of decay within these old points.

The Council has considered your notification of intended works to trees dated 06 July 2020 and does not wish to object.

Informative(s):

- 1 This notice is valid for 2 years from the date of this letter or until the work is completed, whichever is the sooner.
- 2 You are advised that the appropriate standards for tree work are set out in BS 3998: 2010. Failure to ensure that the proposed works are carried out to these standards may result in damage to the tree(s) and may result in legal action by the Council.
- 3 Please note that any approval given by the Council does not give an exemption

from the requirements to comply with the Wildlife and Countryside Act 1981 (as amended), or any other Acts offering protection to wildlife. Of particular note is the protection offered to bats, birds and their nests from construction works. For further information contact Natural England on 0300 060 4911 or www.naturalengland.org.uk.

Yours faithfully
