**[EXTERNAL EMAIL]** Beware – This email originated outside Camden Council and may be malicious Please take extra care with any links, attachments, requests to take action or for you to verify your password etc. Please note there have been reports of emails purporting to be about Covid 19 being used as cover for scams so extra vigilance is required.

I object to the 5g towers going up on Taplow tower. I have family living there and fear of radiation to them, myself and children when we will visit and if course the surrounding. This is not right to subject peoples lives to this it will be appalling. Take this email for my own objection and that of the six others that the 5g tower will affect from my family.
