2020/3753/P	Oktay Duran	07/10/2020 08:12:36	OBJ	<p>This property has been operating illegally since last year sometime as a cafe under a tuition Center license cooking on premises without a a1 a3 licence. the building is listed as a listed building But yet renovating has been done to outside & inside of building! Secondly number 44 & 46 Chalton street operate as cafes to have three cafes next to one another is absolutely ridiculous also number 38&36 is a eating establishment aswell the street, this is entirely unfair to the other businesses as Chalton has suffered with lack of trade, especially since Covid 19 also these businesses need assurance that this matter will get dealt with with the strictest of manner as there is illegal activity taking place thank you</p>
