2020/3958/P	Francoise Findlay, Chairman Elsworthy Residents Association Member of BCAAC	05/10/2020 15:52:27	OBJ	Taplow and the adjacent Visage building are clearly visible from the Elsworthy Conservation Area and putting further equipment on the top of Taplow will be particularly unsightly when viewed from Primrose Hill. Both blocks, along with the others along Adelaide Road, dominate the view North and further obstruction on the roof of Taplow will be detrimental for that view.
