Dear Ms Constantinescu,

**TOWN & COUNTRY PLANNING ACT 1990 (AS AMENDED)  
NATIONAL PLANNING POLICY FRAMEWORK 2019**

**49 Willow Road London NW3 1TS**

*Extension of basement to the rear under existing structure, to theatre use.*

**Recommend No Archaeological Requirement**

Thank you for your consultation dated 23 September 2020.

The Greater London Archaeological Advisory Service (GLAAS) gives advice on archaeology and planning. Our advice follows the National Planning Policy Framework (NPPF) and the GLAAS Charter.

NPPF section 16 and the Draft London Plan (2017 Policy HC1) make the conservation of archaeological interest a material planning consideration.

Having considered the proposals with reference to information held in the Greater London Historic Environment Record and/or made available in connection with this application, I conclude that the proposal is unlikely to have a significant effect on heritage assets of archaeological interest.

Although within an archaeological priority area, it is evident from the submitted archaeological desk based assessment that the proposed works are unlikely to have a significant archaeological impact at this location.
