2020/3420/P	The erection of the terrace	08/10/2020 22:22:07	OBJ	<p>We are the owners of No. 10 Prince Arthur Road. We object to the application on the following grounds:</p> <ol style="list-style-type: none">1. The erection of the terrace will invade our privacy. It would overlook our own terrace which is much more moderate in size; it would enable the occupants to see inside our kitchen; and it would enable the occupants to look directly into our garden.2. The size of the terrace is such that it will allow a large number of people to congregate, potentially causing noise pollution.2. The construction of the terrace, glass balustrade and the extension is unsightly and not in keeping with the character of the rest of the house.
