2020/4104/P	Jan Lough	06/10/2020 12:15:31	OBJ	<p>Dear planning team and neighbour</p> <p>The proposed high brick wall is not in keeping with the conservation area of Redington Road. Other houses on the road have good security but have used metal railings rather than brick walls, which can look fortress-like. If a brick wall is essential, I would ask that the wall be lower - especially as the railings will add further height to 2m.</p> <p>Thank you.</p>
