| 2020/4265/P | Paul Braithwaite | 13/10/2020 08:06:27 | OBJ | Camden's policy has been to refuse drop-kerb cross-overs should be maintained. This would increase possible obstruction to pedestrians, particularly for those with buggies, motorbility and for vision-impaired. It would set a new contemporary precedent and should be resisted. It would demean the appearance of the terrace. |
