2020/4652/T	Erik Carlson	16/10/2020 10:53:11	OBJ	I object to this request. No attempt is made by the applicant to explain why these trees should be removed. There is precious little greenery in our urban environment, the ambitions for development on this site are completely over the top and out of keeping with the area, and now they want to get rid of the trees too. This is not acceptable without a good reason.
