Dear Adam,

Welcome to Camden and thank you for getting in touch.

Our comments regarded the original submission. We would have no objections to the proposed formers as revised.

All the best,

Janine

Dear Ms Griffis

I have joined Camden as a Planning Officer and I have been given the above application – which includes a change of use to 10 affordable units and increased front and rear dormer windows and a rear roof terrace on the building.

I can see that you have commented on behalf of the Hampstead neighbourhood Forum on 19 June 2020 but I would like to know if your comments were made in relation to the originally submitted proposed elevations (the first attachment) or the revised proposed elevations (second attachment).

I hope you can get back to me on this

Many thanks

Adam Greenhalgh
