

Dear Ms Abel,

**Your TV Licence has been renewed automatically. Thanks for paying by Direct Debit.**

You're now covered to watch and record live TV on a TV, laptop, mobile, tablet, games console, digital box, DVD/VHS recorder or any other device.

'Live TV' means any programme you watch or record at the same time that it's being shown on TV or live on an online TV service, such as iPlayer, ITV Player, All 4 or Sky Go.

**What happens now?**

We'll take payments on or within three working days of the dates shown below.

**How payments work.**

- **This year's licence:** the amounts and dates of payments that have already been made from the account, as well as any remaining ones, are listed below.

**Account name:** Abel  
**Sort code:** 20-71-74  
**Account number:** \*\*\*\*9594

- **Next year's licence:** this will be paid for over 12 months. Six payments will be taken before your next licence starts and six more after it starts. The first payment of **£12.18** will be taken on **1 March 2017** followed by monthly payments of **£12.12** until you've paid the licence fee in full.

That's it for now. You're all sorted, as long as the payments continue to be made.

**Do we have the right details?**

Please check your sort code and last four digits of your bank account number and let us know if something's wrong. If your payments don't go through, your TV Licence may be cancelled. Also, if you move home or need to change your details, please visit [tvlicensing.co.uk/update](http://tvlicensing.co.uk/update).
