Re: Discharge of condition 4 of planning permission 2019/4822/P

We write on behalf of our client, Mr B. Walford with an application to discharge Condition 4 of planning permission 2019/4822/P.

The condition states;

No development to the front boundary wall shall take place until full details of the new hedge and planters in the front garden have been submitted to and approved by the local planning authority in writing. The relevant part of the works shall not be carried out otherwise than in accordance with the details thus approved.

To support the condition, please find enclosed a plan detailing the proposed planting details for the front boundary. It is proposed to plant Ligustrum Ovalifolium (oval leaved privet) within the front planter at a density of 5 plants per 1m length. A total of 20 plants will be planted in the front boundary planter.

This application has been submitted to the Planning Portal under reference PP-09194957 and the application fee paid online.

We trust you have sufficient information to validate this application and allocate it to an officer, if however you require further information, please don't hesitate to contact me.

Yours sincerely

Rachel White
