Dear Sir/Madam

## **DECISION**

Planning (Listed Building and Conservation Areas) Act 1990

### **Listed Building Consent Granted**

Address:

**Freemasons Hall  
60 Great Queen Street  
London  
WC2B 5AZ**

Proposal:

Reconfiguration of former Lodge Rooms 18 and 19 to provide office and ancillary use, and the provision of relevant building services  
Drawing Nos: Design, access and heritage statement, Lodge rooms 18 19 all drawings (PDF book of all drawings)

The Council has considered your application and decided to grant Listed Building Consent subject to the following condition(s):

Conditions And Reasons:

- 1 The works hereby permitted shall be begun not later than the end of three years from the date of this consent.

Reason: In order to comply with the provisions of Section 18 of the Planning (Listed Buildings and Conservation Areas) Act 1990.

- 2 The development hereby permitted shall be carried out in accordance with the following approved plans:

Design, access and heritage statement, Lodge rooms 18 19 all drawings (PDF book of all drawings)

Reason: In order to safeguard the special architectural and historic interest of the building in accordance with the requirements of policy D2 of the Camden Local Plan 2017.

- 3 All new work and work of making good shall be carried out to match the existing adjacent work as closely as possible in materials and detailed execution.

Reason: In order to safeguard the special architectural and historic interest of the building in accordance with the requirements of policy D2 of the Camden Local Plan 2017.

Informative(s):

- 1 The site is two island rooms created during post-war reorganisation in a grade-II\*-listed Freemasons' headquarters of 1933.

A similar proposal gained consent at 2018/3359/L. During works, various downstand beams were found not to be structural and this has led to a revised design approach. Air-conditioning ceiling cassettes have been omitted in favour of window use and radiator-type units, and the ceiling plan has been altered to a less oppressive pattern.

Any works other than those specifically mentioned in the consented documents are unauthorised. If further works are found to be needed, the permission of the council's conservation team must be obtained in writing, or further listed building consent may be required.

The proposed works will not harm the special interest of the grade-II\*-listed building.

The application has been advertised in the press and by means of a site notice, whereby there were no consultation responses. Historic England has issued a letter of flexible authority ratified by the secretary of state. The site's planning history has been taken into account in making this decision.

Special attention has been paid to the desirability of preserving the special interest of the listed building, under s.16 of the Listed Buildings and Conservation Areas Act 1990 as amended by the Enterprise and Regulatory Reform Act (ERR) 2013

As such, the proposal is in general accordance with policy D2 of the Camden Local Plan 2017. The proposed development also accords with the London Plan 2016 and the NPPF.
