FAO Jonathan McClue,

Thank you for allowing me to comment on planning application 2020/4798/P which relates to Stephenson House, Hampstead Road, NW1 and the discharge of 'Condition 3E' which relates to the external lighting on planning application 2018/0663/P for the refurbishment and extensions of existing office building together with 17 residential flats.

I have reviewed the plans submitted and I am happy the lighting meets the required standard and the condition can be discharged.

Kind regards

Jim
