2020/3945/P	Diarmuid O'Hegarty	30/10/2020 17:57:05	COMMNT	Dear Sirs

This is a second objection to part of the application and is made on behalf of CRASH, the Combined Residents' Associations of South Hampstead. The first objection submitted on 16 October 2020 raised concerns about the excavation of a basement.

CRASH additionally wishes to raise concerns that the floor level of the proposed new kitchen is elevated significantly above the level of the back gardens of neighbouring houses and has large windows. The application is not designed to protect the privacy of neighbouring properties. The application contains no measures to mitigate the extent to which the proposed new kitchen will overlook neighbouring properties.

Yours faithfully
