2020/3279/P	Stephen Williams for and on behalf of the Netherhall Neighbourhood Association	22/10/2020 22:55:16	OBJ	<p>The proposal raises the roof of 63 Netherhall Gardens by 0.9 metres and extends it by nearly 6 metres. This will be visible from the street. The building adjoins and is paired with 61 Netherhall Gardens. Raising the roof would introduce an unsightly addition which would, in addition, disrupt the symmetry of this pair of buildings. This would be detrimental to the Conservation Area.</p> <p>It is noted that the submission misleadingly includes a Birds-eye view impression showing a similar roof extension on 61 which formed part of an application submitted in November 2017. The Netherhall Neighbourhood Association (NNA) objected to this application, which we note has remained undetermined by Camden for nearly 3 years.</p> <p>The NNA therefore object to the application to extend the roof at 63 Netherhall Gardens.</p>
2020/3279/P	Susanne Lawrence	23/10/2020 16:09:49	OBJ	I object to the proposed increase in height and change in appearance of the roof of no 63. This building is a pair with no 61 and the two rooflines need to match. Also this is a conservation area and as far as possible the appearance of the original Victorian and Edwardian buildings should be retained as they were.
2020/3279/P	RUTH BASRAWY	24/10/2020 10:39:07	OBJ	This is a conservation area, the plans do not take regard of the symmetry of the building with 61 Netherhall Gardens .
