2020/4124/P	Philip Kemp	28/10/2020 14:31:52	OBJ	<p>I would oppose this application, which I feel would impinge on and overshadow the gardens and restrict the light of the lower ground-floor rooms of Nos.5 and 9 Jeffreys Street. The effect would be particularly noticeable on No.5 which has an especially small garden - one of the smallest, I think, in Jeffreys Street.</p> <p>This proposal could also, if approved, create an unfortunate precedent, since other residents in the street might cite it as justification for having similar rear extensions approved.</p>
