

New black coated timber shopfront, to match neighbouring shopfronts; Shopfront formed of one glazed entrance door and one large window, with transparent steel roller shutter directly in front

New black coated steel gate, to match neighbouring properties

New brick upstand & black coated steel railing, to match neighbouring properties, all around the reinstated void of the existing lightwell

Newly formed approach to 126A Camden Road and the shop at 126 Camden Road; Steps designed to consider both different levels (flat & shop) and to provide regular steps, easier to manage by users

Enlarge existing blocked-up opening to receive new timber window

New steel stairs to the existing lower ground floor and the new entrance to the newly formed flat

Reinstated timber fence

Double storey, brick-clad, rear extension
