The Council has considered your application and decided to grant Approval of Details (Listed Building).

Informative(s):

1 Reason for granting permission:

Detailed drawings have been provided for finishes for the refurbished internal stairs required by condition 4 (part h) of listed building consent ref: 2016/2825/L. The Council's Conservation Officer has confirmed that the

secondary stair between the top floors would be an appropriately detailed traditional timber staircase and would not harm the historic fabric of the host building. As such, the details are considered sufficient to part discharge condition 4(h).

Special attention has been paid to the desirability of preserving the special interest of the listed building, under s.16 of the Listed Buildings and Conservation Areas Act 1990 as amended by the Enterprise and Regulatory Reform Act (ERR) 2013.

As such, the submitted details are considered acceptable and are in accordance with policy D2 of the Camden Local Plan.

- 2 You are reminded that condition 4 (d, f, g, h, i, j, k and l) and condition 6 of planning listed building consent granted 23.01.2017 (ref: 2016/2825/L) are outstanding and require details to be submitted and approved.

In dealing with the application, the Council has sought to work with the applicant in a positive and proactive way in accordance with paragraph 38 of the National Planning Policy Framework 2019.
