2020/4307/P	Robin Owens	03/11/2020 18:23:55	OBJ	<p>I would like to object for 2 reasons:</p> <p>1) There is no Construction Management Plan. This should be agreed as part of the application not just as a condition for later agreement. See appeal for 5 The Hexagon (2019/0508/P) for which the Planning Inspectorate agreed this should be a requirement.</p> <p>2) The property has been moved forward on the plot. Assuming the residents will be parking cars on the property frontage onto Fitzroy Park this will then severely restrict access (including to emergency vehicles) and prevent vehicles passing near the gate at the end of Fitzroy Park. This in turn will cause cars to back up onto the Grove.</p> <p>Please remove my name/address from the Planning web site once the application has been determined.</p>
