Re: 14 Willow Road, 2020/3857/P, additional comments

Dear Mr Chan,

In addition to our previous objections, the Forum the objects to the proposed changes to the front boundary wall. The drawings states that the pier, identified by the arrow below) would be "taken down and rebuilt with new section of wall to match adjacent boundary wall to form screen for bins". The Forum objects to the loss of a unique feature that is highly unusual and distinctive of the trio of houses to which this house belongs. Demolishing this original feature would destroy the boundary wall symmetry of no. 14 and the visual unity of nos. 12, 13 and 14.

This would be damaging to the conservation area and contrary to DH1 and DH2 of the Hampstead Neighbourhood Plan.

Sincerely,

Alex Nicoll
